Transiting Pluto in trine with natal Sun

*The planetary energies flow smoothly; the connection is easy and beneficial.*

This is an extended period when many factors in your life could alter, because the energy of Pluto, symbolizing the process of decay and change, death and re-birth, is strongly present in your consciousness during this time. Significant life events are almost certain to result. These changes can be difficult, since most of us tend to cling to our older and more established ways of being and resist the pressure of the new with all our might. But

transformation is inevitable, and perhaps necessary for your growth as a human being. Sometimes these life changes will manifest more on an internal level, and other times outer events may bring them on. Either way, change is inevitable as you confront in order to replace those portions of your behavior that have outgrown their usefulness to you in your present circumstances.

Transiting Chiron into natal Tenth House

During this transit, lasting 2 - 8 years, and especially at the beginning of this period of time, your professional career or your presence on the public stage, even your very self-concept may alter, causing you to undergo a potentially painful period of re-examination and transformation. As a final result, you may come into a better understanding of your true calling, a path that fully expresses the intent that brought you into this life. At this time, the structure of society, perhaps in the form of parental pressure, does not rest easily on your head. You may experience doubts regarding your career or other expression of your public self, or wonder if you truly deserve prestige or honors that you have been given. You have a serious inner purpose at this time, that drives you toward changing your career in a way that more fully expresses your true mission in life.

There may be old wounds that seem to inhibit you from fully expressing yourself in the world that come up for you at this time. Issues with the parental care and authority you experienced in your childhood may come up for you during this period. Revisiting these issues can be painful, but when you work through them you will find that you are further along on your evolutionary path to finding your real place in the world, independent of the belief system of society around you, or any other factor that does not emanate from your own inner guiding light.

**Transiting Pluto in trine with natal Chiron**

*The planetary energies flow smoothly; the connection is easy and beneficial.*

You may be in for a rough time, as structures of your life that had previously supported you no longer serve their earlier purpose, and transform themselves in your life. There is always a certain amount of pain associated with changes of this magnitude, although great joy is possible as well if you "go with the flow" at this time, as difficult as that may be, and just let it happen. With this transit, you may experience intimations of other worlds beyond this present one. Sexual experience may provide the gateway into the hidden world of the dark places in the human psyche, yours or another person's. Old wounds that

can be inhibiting and crippling until explored and come to terms with may begin to open themselves up to you. This can only be for good effect, as getting in touch with your shadow side will let these forces breathe and have their communion with the other parts of yourself, rather than remaining in the dark to fester. When you have integrated these dark ambassadors from the underworld of your own psyche, they can become powerful forces for healing as your outlook changes and you become better able to relate to yourself, and others around you as well.

**Transiting Pluto in quintile with natal Midheaven**

*The planetary energies are positively linked, subtle, and spiritual in dimension.*

There is a violent energy for change coming into your personality, leading you to a new level of understanding. This transit affects public life, including work and career, as well as ego assertion, and the authority figures in your life. There are also implications for your relationships. The force of Pluto, symbolizing the process of decay and change, death and re-birth, may result in significant life changes. You can profit from these seeming misfortunes, in terms of greater self-knowledge and wholeness.

18/11/2020 R; exact 12/1/2021  
Transiting Chiron in  
conjunction with natal  
Midheaven

*The strongest blend of the energies represented by these two planets.*

This transit affects your self-expression, including your creative potential and your sense of well-being. Your physical vitality is also affected, and your attitude to life in general. Issues of outer-directed activity are challenging for you at this time. There may be many painful realizations around the areas of how you assert yourself with other people and what exactly is your place in the world of activity and outward drive and ambition. At this time, you may feel that unconscious drives are more powerful than your overt conscious motivations. You also have a powerful urge to achieve at this time, and you need to get in touch with how to use this energy and what it is that you want to accomplish. You may experience frustration in trying to go your own route, independent of what consensus reality surrounding you may dictate. Old wounds in the area of self-assertion and how you make your way in the world may come up at this time, causing you much suffering as you try to find your true path. It is only by going deep within yourself and trusting the intelligence of your own inner awareness that you can begin to heal these issues inside you, come through this

period of chaos and enter a new birth of understanding and trust in your own process.

Transiting Neptune in  
sesquiquadrate with natal  
Jupiter

*The planetary energies conflict in determined subtle tension; control is required.*

Feelings of confusion may come up for you during this time. Your faith and your aspirations, as well as your religious feelings are likely to be idealized as a result of this transit. You may have illusions about what is feasible, so that you think you can make more money or accomplish more than is physically possible in reality. You are very compassionate and sympathetic to other people at this time, and you may need to hold back on major decisions until you can sort out what is actually appropriate for you to do. Travel plans are another possibility for expansion and renewed energy, and may possibly also be somewhat subject to illusions and fantasy during the course of this transit. You also will have renewed energy for the spiritual or philosophical side of your existence. You may go through some variety of religious conversion, or reformulate your philosophy of life along more spiritual lines as a result of the events and the internal changes of this period.

## 7/11/2020 to 14/4/2021, exact 18/1/2021 Transiting Pluto in square with natal Pluto

*The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.*

This transit transforms your urge for self-renewal and regeneration. Hidden complexes below the surface of your normal awareness and resulting compulsive behavior may come up for you during this period of time. Long buried parts of your psyche are likely to be activated by this transit. You may need to confront these concealed parts of yourself that have been active in unconscious behavior patterns for many years, and bring them more directly into your consciousness so that they can be dealt with. Such bringing to light of these veiled parts of ourselves is always cathartic and healing in its effect. The death and rebirth energy of Pluto is up for you during this time, symbolizing the process of letting go of behaviors that no longer serve you in order to make way for new parts of yourself to emerge, and significant life changes are certain to result. These changes can be quite difficult, since most of us tend to cling to our older and more established ways of being, and resist the pressure of the new with all our might. But these changes being forced upon you at this time are inevitable, and perhaps necessary for your growth as a human being. Sometimes these life changes

will manifest more on an internal level, and sometimes outer events may bring them, such as a death in your immediate family, or some other radical alteration of your circumstances. This means confronting parts of yourself that you would rather not face, and you may be tempted to evade this encounter. But running away from the battle will not help, for eventually you must admit the dark unknown and integrate it with your conscious self, if you are to move towards wholeness and peace of mind.

## 1/12/2020 to 8/1/2021, exact 21/12/2020 Transiting Saturn in trine with natal Mars

*The planetary energies flow smoothly; the connection is easy and beneficial.*

You may find that your ability to get things done has slowed down at this time, although with effort you can accomplish much during this period of time. It may be good for you to slow down your activities, in order to discern what is most important to you, although it can also be frustrating. It is necessary during this period just to grit your teeth and move forward, in spite of setbacks. This is an excellent time for getting down to some difficult exacting task that requires all of your concentration. You will do well at such tasks during this period of time, but it will take all your available energy so don't try to plan too much. It is better to concentrate on more

limited goals and to really follow through on these, during this period of time. By focusing on your progress toward your goals, you will come to new realizations about yourself that can be quite valuable in the months ahead.

**13/12/2020 to 18/1/2021,  
exact 31/12/2020**  
**Transiting Saturn in opposition  
with natal Ascendant**

*The planetary energies are polarized; outer events stimulate their interaction; integration is the challenge.*

At this time, you are more aware of your limitations and responsibilities than usual. This transit, of Saturn to your natal Ascendant, represents a significant period of your life. Usually there is some dramatic turn of events involved, as the momentum of your life's journey changes direction, in particular your professional work, or other significant worldly activities. This transit can last for several months, and is almost always accompanied by some suffering - the structure of your life, and your ego-investment in that structure, is bound to change as a result of the pressure of events, and this is never easy. This transit can be an excellent time for a new beginning, in which the sum of previous efforts taken can be used to advantage in a new move of some sort, designed to make the most out of your endeavors. Try to accompany all the hard work with a healthy dose of pleasure. The key

lies in balancing the energy to achieve and the energy just to be, without needing to achieve.

**17/12/2020 to 4/1/2021, exact  
26/12/2020**  
**Transiting Jupiter in  
opposition with natal  
Ascendant**

*The planetary energies are polarized; outer events stimulate their interaction; integration is the challenge.*

This transit really amps up your self-expression, including your creative potential and your sense of well-being. You will find you have an expansive and optimistic attitude during this period of time. Your physical vitality is also powerfully affected, and you may feel the urge to be a tiger in the places you normally play and meet people. You will be lucky in your intimate and other forms of partnerships at this time. Although all this confidence is a real boost and you can get a lot of things done because of it, you may need to beware of being rash or having even too much optimism during this transit. There is also a peaceful and spiritual energy that comes strongly into your personality as a result of this transit, that can lead you to new levels of faith and understanding.

**23/12/2020 to 10/1/2021,  
exact 1/1/2021**  
**Transiting Jupiter in sextile  
with natal Uranus**

*The planetary energies flow together, open into new possibilities, new connections.*

Feelings of restlessness may come up for you in a big way during this period of time. This transit affects your urge for freedom and spontaneity. You may decide to leave on a trip, or your plans for the future could change rather rapidly at any point during this period, or a planned educational experience may alter. You have a real need to express your individuality and your independence at this time, as well as renewed positive energy toward such uniquely personal goals. You will also likely have new and perhaps powerful spiritual insights during the course of this transit.

### **23/12/2020 to 15/2/2022, exact 1/1/2021 Transiting Saturn into natal Seventh House**

During this period of time, lasting about two to three years, there is an emphasis placed upon partnerships and relationships, especially important interpersonal relationships such as marriage. At this time you may feel a deepening or concentration of your power to relate to others and you do well in the areas of partnerships and business relationships, as you are possessed of unusually good judgment and diplomacy. You also may have an increased sense of self-reliance or even of isolation, as you may be starting to rely on yourself in new ways,

rather than necessarily depending on a partner. You may experience stress or difficulty in marriage, at this time, for it can be a testing period for primary relationships in your life. You may need to step back in order to gain a clearer perspective on your interactions. You then have an opportunity for inner integration and balancing, for redefining and re-experiencing the true meaning for you of relationship between self and other.

### **24/12/2020 to 10/1/2021, exact 2/1/2021 Transiting Jupiter in square with natal Jupiter**

*The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.*

Your faith and your plans or aspirations as well as religious feelings will be powerfully and positively affected at this time, based on the 12-year cycle of Jupiter to its natal position, of which this transit is but one phase. Travel or educational plans are another possibility for expansion and renewed energy during the course of this transit. This is an especially important and beneficial period of time in your life. You have a renewed optimism and faith in yourself, and are likely to influence others by the example of your good energy. You must also be careful to temper your positive attitude at this time with a healthy dose of practicality or else you

might over-commit yourself, but in general this is a great period of time for enhancing your possibilities. This energy may be useful for increased leadership in worldly affairs or for choosing different goals in life, perhaps adopting a more spiritual path.

**25/12/2020 to 3/1/2021, exact  
29/12/2020**

### **Transiting Mars in trine with natal Neptune**

*The planetary energies flow smoothly; the connection is easy and beneficial.*

This transit brings your sense of spirituality, and your ideals, to your desires and actions. You may have new spiritual insights during this period. You will find you have a more disconnected energy than usual, and a sense of confusion regarding goals. This is a time when you may be more sensitive to others needs and concerns than your own. You are very aware of other points of view, and also very idealistic in pursuing your own agenda. It is necessary at this time to focus on what is truly important to you, and to not be discouraged by seeming setbacks, since every turn in the road serves to further your growing consciousness of what is possible, both in the physical realm and beyond it.

**26/12/2020 to 29/1/2021,  
exact 12/1/2021**  
**Transiting Saturn in sextile  
with natal Uranus**

*The planetary energies flow together, open into new possibilities, new connections.*

You may feel restrictions to your freedom during this period of time, or feel that you want to be breaking away from something, but find yourself unable to do so. Feelings of restlessness may come up for you at this time, but you may feel stifled and unable to cope with them or break out of the rut you feel yourself to be in at the moment. This conflict is unsettling for a time, but it will pass as the transit moves on and eventually diminishes in its influence. What you can take away from the experience is a more focused awareness of your energy for freedom and the search for new horizons, in spite of remaining, and to whatever extent you do remain, in the limitations of your established place in the world.

**27/12/2020 to 1/1/2021, exact  
30/12/2020**

### **Transiting Mars in quintile with natal Moon**

*The planetary energies are positively linked, subtle, and spiritual in dimension.*

You may find yourself expressing anger more openly than you usually do. This can be a benefit, since feelings brought out into the open are thus more available to yourself and others. This aspect also indicates a period of time when action is a more comfortable mode of operation than sitting back and awaiting

events. Try not to be too rash in taking action, though, since sometimes the "wait and see" game is best in the long run.

### 27/12/2020 to 30/1/2021, exact 13/1/2021 Transiting Saturn in square with natal Jupiter

*The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.*

This is a stressful period of time for you. Your natural optimism and faith in yourself may be at an all-time low during this transit. Your plans or aspirations as well as religious feelings will also be emphasized at this time. These ideals will be restricted in some way and may change as a result of this powerful transit. It is a time of difficulty and also persistence with projects and life goals you have set for yourself. Travel or educational plans are another possibility for restrictions and challenges during the course of this transit. The gods test your resolve to implement your dreams and goals, and you may well come away from the experience with an altered conception of their real meaning for your life, or how your own path fits with positive social changes that you want to see happen in the world around you. Thus, this transit indicates the time where the rubber meets the road. You will likely take this time to dig in and plug ahead with your tasks. And if things get too serious, be sure

make time for relaxing and enjoying yourself, rather than struggling 24 hours a day. You may experience a degree of tension between an old and outmoded way of being and a new vision of what could be possible. The shadow side is disappointment with yourself, for not being further along on the path you envision, and there could be confusion about what you truly want at this time. But the joy of this spiritual journey of discovery comes from making peace with yourself and beginning to fulfill your dreams. The gap between the ideal and the merely real, although wide, could become much closer for you at this time. Something new,

deep inside you, is coming into birth, and you are learning how to hang out with the uncertainty of it all. The world as it presents itself to you during this period is not so pat and simple as it seemed. There are angels in the woodwork calling out for you to listen with your inner senses. You are dreaming a new realization into being for yourself, ultimately a new world, since the world is really what we are dreaming into being with each new moment. If you dream wisely at this time, you can make a difference, for yourself, and for others around you as well.

For this period of time, you may feel somewhat isolated and involved with your own internal issues. You also will find your relationships in the outside world have a practical side to them during this period of time. It is an excellent time to take stock, as Saturn slows down your process of relating to others. You may need to pay closer attention to these areas of your life, even extending to your values, aesthetic and otherwise. Your values represent what you relate to in your environment. If you work with an artistic medium, you may establish new approaches to your work quite successfully during this

period. It is important to slow down in these areas in order to focus on what is most important to you in the long run.

The reason that such painful issues are reemerging into consciousness at this time is for the purpose of healing these issues and finally moving beyond them. This transit transforms your urge for self-renewal and regeneration. Hidden complexes below the surface of your normal awareness and resulting compulsive behavior may come up for you during this period of time. Long buried parts of your psyche are likely to be activated by this transit. You may need to confront these concealed parts of yourself that have been active in unconscious behavior patterns for many years, and bring them more directly into your consciousness so that they can be dealt with. Such bringing to light of these veiled parts of ourselves is always cathartic and healing in its effect. The death and rebirth energy of Pluto is up for you during this time, symbolizing the process of letting go of behaviors that no longer serve you in order to make way for new parts of yourself to emerge, and significant life changes are certain to result. These changes can be quite difficult, since most of us tend to cling to our older and more established ways

of being, and resist the pressure of the new with all our might. But these changes being forced upon you at this time are inevitable, and perhaps necessary for your growth as a human being. Sometimes these life changes will manifest more on an internal level, and sometimes outer events may bring them, such as a death in your immediate family, or some other radical alteration of your circumstances. This means confronting parts of yourself that you would rather not face, and you may be tempted to evade this encounter. But running away from the battle will not help, for eventually you must admit the dark unknown and integrate it with your conscious self, if you are to move towards wholeness and peace of mind.

*The planetary energies conflict in determined subtle tension; calmness is required.*

This could be a time when strange events force upon you an intimation of other worlds, a broader perspective than that of ordinary reality, perhaps a taste of the transpersonal world of shamanism and magic. It is also a time for re-examination of some of the painful issues that may be part of your make-up and that may possibly have been holding you back until now. Usually some issues from early childhood that were too painful to deal with in their era, and that have become repressed and remain lodged in your unconscious, come up during this period of time, perhaps brought on by recent events. Long repressed feelings may be difficult and painful to deal with, but there is a rich reward for getting in touch with these walled-off areas in order to become more whole. You can achieve a much greater degree of self-acceptance and ease once you have made the dark journey of discovery to find what lies within that space.
