21/8/2020 to 25/2/2021, exact 28/11/2020 SD Transiting Neptune in conjunction with natal Sun

The strongest blend of the energies represented by these two planets.

Things may be a bit confused for a while. Under the influence of this transit, you may identify with fantasy or other forms of illusion impairing your judgment. Hard and fast logic doesn't mix well with your personality at this time. If you are overly dependent on this faculty for guiding you through the twists and tangles of life, you may suffer a loss of faith in yourself as a result of this transit. Sometimes events which are thrust upon us and seem to bode ill, or at least to represent a new and

unwelcome departure from the ordinary are in fact operating in our own best interest in the long term. The primary truth being urged upon you at this time is compassion, greater compassion for all of mankind. This transit represents a renewed connection with that most basic part of yourself, your loving and gentle nature. If you are able to sacrifice your own ego-needs for the moment, without bitterness, you may well in future reap the rewards of greater compassion both for and also from your fellow man.

1/9/2020 to 17/2/2021, exact 8/10/2020 R; exact 17/1/2021 Transiting Neptune in quintile with natal Saturn

The planetary energies are positively linked, subtle, and spiritual in dimension.

You are in for a potentially confusing period of uncertainty. The habitual structure of your life may be called into question at this time by new insights and awareness, perhaps in the direction of greater compassion and concern for others. You may be feeling unsure about making changes that seem to be calling out to you right now from your spiritual center, but when the current period of time passes, you may feel good about the growth in your spiritual development brought about during this period of time.

2/9/2020 to 17/2/2021, no date of exact

Transiting Neptune in sextile with natal Mars

The planetary energies flow together, open into new possibilities, new connections.

You may find you have a more disconnected energy than usual at this time, and a sense of confusion regarding goals. This is a time in your life when you are more sensitive to others needs and concerns than your own. You are very aware of other points of view right now, and also very idealistic in pursuing your own agenda. You may even imagine goals for yourself or for other people that are more fanciful than realistic and that may never actually come to fruition. The life factors of outward-directed activity, assertiveness and also animal passion are now subject to compassion, idealism, and also illusion. It is necessary at this time to focus on what is truly important to you, and to not be discouraged by seeming setbacks, since every turn in the road serves to further your growing consciousness of what is possible, both in the physical realm and beyond it.

28/9/2020 to 1/3/2021, exact 19/11/2020 R; exact 11/1/2021 Transiting Chiron in trine with natal Neptune

The planetary energies flow smoothly; the connection is easy and beneficial.

This can be a time of great change and positive results for you. The nature of this

transit is a dissolver of old structures, for the purpose of making way for some hitherto unseen aspect of yourself to emerge, and you are likely to undergo a transformation of your spiritual values at this time. You may experience a degree of tension between an old and outmoded way of being and a new vision of what could be possible. The shadow side is disappointment with yourself, for not being further along on the path you envision, and there could be confusion about what you truly want at this time. But the joy of this spiritual journey of discovery comes from making peace with yourself and beginning to fulfill your dreams. The gap between the ideal and the merely real, although wide, could become much closer for you at this time. Something new, deep inside you, is coming into birth, and you are learning how to hang out with the uncertainty of it all. The world as it presents itself to you during this period is not so pat and simple as it seemed. There are angels in the woodwork calling out for you to listen with your inner senses. You are dreaming a new realization into being for yourself, ultimately a new world, since the world is really what we are dreaming into being with each new moment. If you dream wisely at this time, you can make a difference, for yourself, and for others around you as well.

3/10/2020 to 24/2/2021, exact 4/12/2020 R; exact 27/12/2020

Transiting Chiron in square with natal Jupiter

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

Your religious philosophy and broad intellectual framework are subject to a certain amount of suffering and re-examination now. Painful experiences in these areas could lead you to a new outlook on life. Also during the course of this transit, you may have issues arise related to travel or other methods of broadening your intellectual horizons. There may be suppressed emotions relating to the received philosophy of parental figures that come up for you at this time, leading to a particularly painful introspection and rethinking of your views. Perhaps there are ways that these shared philosophies from your early background no longer fit your needs in the present era. If you look deeply within yourself you may be able to find the answer to questions that come up for you at this time, and move closer to a true synthesis of your lower and higher natures. This synthesis will be as rewarding, in the end, as the experience of getting to it was painful at the time. Then you will be able to use your newfound integration to advantage in sharing your vision for the world with other like-minded individuals, in order to help make that vision a reality for yourself and for society around you as well.

9/10/2020 to 19/2/2021, no date of exact Transiting Chiron in conjunction with natal Mercury

The strongest blend of the energies represented by these two planets.

You are experiencing painful realizations around the issues of communication and your mental abilities in general. Your communication with others is changing at this time, and you may have difficulties in this area, as old issues from the past return to haunt you, or you have to deal with siblings or your friends in a way that seems less easy and more fraught with pain and uncertainty. It may be that your very mind seems less than reliable at this time, and you may even feel yourself in danger of mental collapse, as new ideas and ways of thinking challenge you to the core of your current belief system. You may also have a powerful urge to communicate at this time, since that is one way to externalize your suffering and make it more real and available to others. It can be a great impetus to artistic expression to have the world coming down in chaos all around you. Ultimately the higher purpose of these challenges is for you to come to terms with a new way of thinking and being in the world, one that throws off the shackles of previous conceptions and launches itself forward, willy nilly, into a brave new cosmos of your own making. It is in this way that you can come through, and heal some of the old issues that

have previously plagued you. When you do, you may also be able to share this more holistic vision with your community so that you can have a healing influence on others around you as well.

21/10/2020 to 6/1/2021, no date of exact Transiting Neptune in semi-square with natal Midheaven

The planetary energies conflict in determined subtle tension; calmness is required.

There is a loving and compassionate energy coming into your personality, leading to a new level of sympathy for your fellow-man. This transit affects your public life, including work and career, as well as ego assertion, and the authority figures in your life. Your physical vitality may also be affected, and your attitude to life in general. You may suffer from confusion of your motivations, and surrounding your self-image, but these experiences also bring you to a higher purpose in your life, if you will let them.

1/11/2020 to 5/4/2021, exact 16/1/2021 Transiting Pluto in trine with natal Ascendant

The planetary energies flow smoothly; the connection is easy and beneficial.

This period of time with Pluto transiting your Ascendant is significant for you. It is a time

when many factors in your life could alter. Because Pluto symbolizes the process of decay and change, death and re-birth, significant life changes are almost certain to result. These changes can be difficult, since most of us tend to cling to our older and more established ways of being, and resist the pressure of the new with all our might. But these changes are inevitable, and perhaps necessary for your growth as a human being. Sometimes these life changes will manifest more on an internal level, and sometimes outer events may bring them. These events unfold over time. Often, too, a strong Pluto transit means confronting parts of yourself that you would rather not face, and you may be tempted to evade this encounter. But running away from the battle will not help, for eventually you must admit the dark unknown and integrate it with your conscious self, if you are to move towards wholeness and peace of mind.

4/12/2020 to 24/2/2021, no date of exact Transiting Uranus in sesquiquadrate with natal Moon

The planetary energies conflict in determined subtle tension; control is required.

Your feelings are expressing themselves to you in mysterious ways. This may be the first step in actually coming to terms with emotions long buried in your unconscious.

Your own unacknowledged desire for change may be bringing these feelings up in you as a prompt for action, even if they seem to be coming up through the medium of an external agency. Although these changes may seem disruptive they usually work out for the best in the overall process of your life development and may provide insights that will be the seeds for your future emotional development. Some new part of yourself is struggling to break free to the surface of your personality.

**5/12/2020 to 11/1/2021, exact
25/12/2020**
**Transiting Saturn in trine with
natal Saturn**

The planetary energies flow smoothly; the connection is easy and beneficial.

This is a time of harmonious working out of your life plans, and a time of preparation for changes to come, but not a time of great change for the present. The structure of your life is being supported by circumstances now, and there is little pressure for things to be very different from what they have always been. You tend to be introspective and practical at this time, and reflect on what you consider to be your duty in life. You probably feel on course with your life's direction, perhaps after a period of trial that seems to have ended for now. But of course you must be aware of the possibility of future trials that

await you, since life constantly presents itself as a moving target.

**8/12/2020 to 13/1/2021, exact
27/12/2020**
**Transiting Saturn in trine with
natal Pluto**

The planetary energies flow smoothly; the connection is easy and beneficial.

You must take responsibility for previously unacknowledged areas of your life at this time, whether you would like to or not. This transit makes concrete your urge for self-transformation and regeneration. You are undergoing an important transition in your life, entering an entire new phase of existence, in which the habitual patterns and concerns of the old way of your world may vanish entirely or diminish in their importance. You may have to confront issues of power, control and authority, either in the workplace or in terms of authority in your personal life. You are more purposeful and serious regarding your goals right now, and find that the way that your life has been structured up to now must change. This is not a time for escapist fantasies, or rationalizations; this is a time for facing squarely the past and its implications for your continued growth in the present.

**13/12/2020 to 18/1/2021,
exact 1/1/2021**

Transiting Saturn in square with natal Venus

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

For this period of time, you may feel isolated and involved with your own internal issues rather than with relationships in the outside world. When you do relate outwardly, it will be in a serious sober and practical manner. Saturn slows down your process of relating during this period of time, which enables you to take a closer look at the way you do relationships in general. You may feel cut off from friends and lovers at this time, but there is a reason in regard to your long-term growth. You may need to pay closer attention to these areas of your life, even extending to your values, aesthetic and otherwise. Your values represent what you relate to in your environment. Those relationships that are of importance in your life will become emphasized during the course of this transit, while others may fall away or change dramatically. It may be necessary to slow down in this area in order to focus on what is most important to you in the long run.

**14/12/2020 to 1/1/2021, exact
23/12/2020**

**Transiting Jupiter in trine with
natal Saturn**

The planetary energies flow smoothly; the connection is easy and beneficial.

The time is ripe for slow growth in progress toward your ultimate and far-reaching goals. You may feel frustrated by the slowness of the necessary approach, at this time, but your mind is full of caution now and it may be cleverer not to go forward any faster than is possible in terms of practical reality. You are capable of great deliberation and persistence at this time, and more conscious of your duty to others as well as to yourself. It is a good time to make plans for the future, as these will be realistic and workable.

**15/12/2020 to 2/1/2021, exact
24/12/2020**

**Transiting Jupiter in trine with
natal Pluto**

The planetary energies flow smoothly; the connection is easy and beneficial.

This transit boosts your urge for self-transformation and regeneration. Conflicts and drastic changes may come up for you during this relatively brief period of time. Your plans and aspirations for the future, as well as religious feelings, may be brought to a deeper point of view at this time, and these areas of life may change as a result of this transit. You are more serious and look more deeply into fields of study that are important to you at this time. Travel plans are another possibility for more serious and renewed

energy during the course of this transit. Your ideals and aspirations may be called into question and you also could find that you are more interested in your own unconscious process or that of others during this period of time.

18/12/2020 to 4/1/2021, exact 27/12/2020 Transiting Jupiter in square with natal Venus

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

You are full of spiritual and optimistic energy in your relationships. You may even need to be careful of so much unbounded enthusiasm that you throw yourself forward into a romance or other partnership without thinking of the consequences. This will generally prove to be a beneficial period of time however. Any artistic endeavors will also tend to flourish under the influence of Jupiter, which expands and makes more radiant whatever it comes into contact with. You will also feel a renewed sense of connection to higher purpose in terms of your values generally. And of course, love and romance will be given an extra boost right now, which can make for very pleasant time for you. During this transit you may also be quite social and gregarious. You may find yourself giving more parties than you usually even go to, and being at the center of

attention of them as well! It is a good period of time to enjoy life, but not particularly a good time for getting a lot done, except in terms of attitude. This is altogether a pleasant and enjoyable transit as well as one that can be productive of long-term benefits if you look ahead beyond the immediate pleasures of the moment, and try not to over-extend yourself.

19/12/2020 to 8/2/2021, no date of exact Transiting Uranus in trine with natal Jupiter

The planetary energies flow smoothly; the connection is easy and beneficial.

Your faith in yourself may get a jump-start at this time, altering your aspirations and goals, also your spiritual or religious feelings. You have a real need to express your individuality and your independence at this time, and you have renewed positive energy toward your own uniquely personal goals.

The strongest blend of the energies represented by these two planets.

The structure of your life, and your ego-investment in that structure, is undergoing a sea-change. You may take on extra duties during this period, or try to get more organized in your life. Work and career issues are both more desired as well as more difficult to accomplish at this time. A peak of

success may be within your grasp, and you may be working hard to achieve it. You may feel lonely and cut off from friends or loved ones. It is important not to lose sight of the larger picture at this time. The key lies in balancing the energy to achieve and the energy just to be, without needing to achieve.

26/12/2020 to 7/5/2021, exact 31/12/2020 Transiting Jupiter into natal Tenth House

During this transit, which lasts for about one year, you are more responsible and practical than usual, and may feel renewed optimism and confidence regarding your professional life. At this time you tend to be extremely careful with money, and have a strong drive to achieve success. You may benefit from working with the public. There will likely be rewards associated with your career at this time. You are stepping out into the spotlight and everything flows well with respect to your public role. Try to take a balanced attitude in your approach to these benefits, and to be giving and generous with others, remembering that success and failure are equal ailments.

You may do more talking than listening, but you have the gift of the golden tongue during this period, and you are likely to be able to hold your audience's attention. This transit brings positive energy, optimism, faith, or luck, as you may happen to think of it, to the areas ruled by Mercury, communication and intellect, the in-flow and out-flow of information in conversation or in writing. There is also abundant energy for education and mental pursuits, and for exploring new

horizons, either by means of actual travel or in your own armchair. Whatever you turn your mind to is likely to have a fortunate outcome under the influence of this transit. Written communication will be lively and optimistic, and you may find your thoughts filled with higher purpose or make spiritual connections. Greater energy is also available for friends and for thinking about future plans, although you may need to look more realistically at any limits and restrictions that could apply.

31/12/2020 to 1/3/2023, exact 9/1/2021 Transiting Saturn into natal Tenth House

During this period of time, lasting two to three years, you experience the full flowering of your powers in the public sphere. During this transit of Saturn across the top of the chart, you will find that you are more serious about your ambitions and you are also likely to be given rewards, or opportunities for growth and development in public life, work and career. You may encounter difficulties as well at this time, depending partly on how you have lived your life during the previous half cycle of Saturn (fourteen years), and how well your present career suits your true beliefs and values. There also may be challenges to face during the course of this transit such as entering into previously untried areas of professional life. Your goal is to more fully realize your capabilities in these areas, acting in a conscious manner not only to reap the

It is a good time to take stock and to plan for the next fifty years! It is also a time for re-examination of some of the painful issues that may be part of your make-up and that may have been holding you back until now. Usually some issues from early childhood that were too painful to deal with in their era, and that have become repressed and remain lodged in your unconscious, come up during this period of time, perhaps brought on by recent events.
