Transiting Neptune in trine with natal Sun

2/8/2019 to 4/3/2020, exact 22/10/2019 R; exact 31/12/2019

The planetary energies flow smoothly; the connection is easy and beneficial.

Things may be a bit confused for a while. You may identify with fantasy or other forms of illusion during the period of time that this transit is in effect. Your dreams and fantasy life could actually become more real for you during this period than your "real" life itself. Hard and fast logic just doesn't mix well with your personality right now. It is a good time to open yourself up to inner explorations, such as meditation or psychotherapy. The primary truth being urged upon you at this time is

compassion, greater compassion for all of mankind. This transit represents a renewed connection with that most basic part of yourself, your loving and gentle nature. If you are able to sacrifice your own ego-needs for the moment, without bitterness, you may well in future reap the rewards of greater compassion both for and also from your fellow man.

Transiting Chiron in trine with natal Neptune

14/9/2019 to 5/3/2020, exact 31/10/2019 R; exact 22/1/2020

The planetary energies flow smoothly; the connection is easy and beneficial.

This can be a time of great change and positive results for you. The nature of this transit is a dissolver of old structures, for the purpose of making way for some hitherto unseen aspect of yourself to emerge, and you are likely to undergo a transformation of your spiritual values at this time. You may experience a degree of tension between an old and outmoded way of being and a new vision of what could be possible. The shadow side is disappointment with yourself, for not being further along on the path you envision, and there could be confusion about what you truly want at this time. But the joy of this spiritual journey of discovery comes from making peace with yourself and beginning to fulfill your dreams. The gap between the ideal and the merely real, although wide, could

become much closer for you at this time. Something new, deep inside you, is coming into birth, and you are learning how to hang out with the uncertainty of it all. The world as it presents itself to you during this period is not so pat and simple as it seemed. There are angels in the woodwork calling out for you to listen with your inner senses. You are dreaming a new realization into being for yourself, ultimately a new world, since the world is really what we are dreaming into being with each new moment. If you dream wisely at this time, you can make a difference, for yourself, and for others around you as well.

Transiting Neptune in inconjunct with natal Uranus

23/9/2019 to 27/1/2020, exact 23/11/2019 R;
exact 30/11/2019

The planetary energies do not flow smoothly, one or the other predominates; discrimination must be employed.

Feelings of restlessness and confusion may come up for you during this period of time. You will likely have new spiritual insights during this period. This transit brings an otherworldly longing to your urge for freedom and spontaneity, and it is likely that you will feel called to find the highest vibration of your own unique expression of yourself in some way. You are drawn to be more sympathetic to others right now, or perhaps sacrifices are required of you, and

these events have the effect of altering your self-concept. You may feel like an important piece of yourself has changed, but remember that chaos always precedes the birth of new life, and that rebirth is in your best interest in the long run, however difficult it may be in the short term.

Transiting Chiron in opposition with natal Pluto

7/10/2019 to 14/2/2020, no date of exact

The planetary energies are polarized; outer events stimulate their interaction; integration is the challenge.

You are in for a rough time, as structures of your life that had previously supported you come crashing down around your head, and you are forced into transformations far more massive than anything you would have anticipated. There is always pain surrounding changes of this magnitude, and you are well advised to "go with the flow" at this time, as difficult as that may be, and just let it happen. All your attempts to hold on to a previous reality will only make you crazy, whereas if you accept the inevitability of change you can even start to enjoy the process and feel exhilarated by it, like rocking along on a roller coaster engaged in the swooping scenery. With this transit, you may experience intimations of other worlds beyond this present one. Sexual experience may provide the gateway into the hidden world of the dark places in the human psyche, yours or another

person's. Old wounds that can be inhibiting and crippling until explored and come to terms with are beginning to open themselves up to you. These are sources of the personal demons that we all have locked up inside of us, and that are coming into your consciousness as a result of this transit, for good or ill effect on your life. Ultimately, it can only be for good, as getting in touch with your shadow side will let these forces breathe and have their communion with the other parts of yourself, rather than remaining in the dark to fester. When you have integrated these dark ambassadors from the underworld of your own psyche, they can become powerful forces for healing as your outlook changes and you become better able to relate to yourself, and others around you as well.

Transiting Chiron in semi-sextile with natal Mars

23/10/2019 to 30/1/2020, exact 1/12/2019 R;
exact 23/12/2019

The planetary energies attract each other, require effort, allow entry of new information.

Issues of outer-directed activity are challenging for you at this time. There may be painful realizations around the areas of how you assert yourself with other people and what exactly is your place in the world of activity and outward drive and ambition. At this time, you may also feel that unconscious drives are more powerful than your overt conscious motivations. You may possibly be

tempted to "act out" in a wild and independent way that is heedless of consequences. You also have a powerful urge to create at this time, and you need to get in touch with how to use this energy and what it is that you want to accomplish. It is only by going deep within yourself and trusting the intelligence of your own inner awareness that you can begin to heal these issues inside you, come through this period of chaos and enter a new birth of understanding and trust in your own process.

Transiting Chiron in sesquiquadrate with natal Sun

29/10/2019 to 24/1/2020, exact 12/12/2019 SD

The planetary energies conflict in determined subtle tension; control is required.

You will likely go through a process of realigning your self-concept during this period of time, possibly as a result of the reexamination of old wounds. Early childhood episodes that in some way were damaging to your self-concept may come back to haunt you, and new experiences related to these early episodes may help them to appear in a new and hopefully better light. These issues could be related to your father or other significant mentor figure from your past. The reason that such painful issues are reemerging into consciousness at this time is for the purpose of healing these issues and finally moving beyond them. You may find when you have gone through this process that

you feel yourself coming into a broader view of your existence. Changes that bring to light new facets of your self-image will be good for you in the long run, and serve to strengthen your true inner self-confidence, based on a more well-rounded view of your life as a whole.
